

CONNOISSEUR WEEKLY

Connoisseur’s email newsletters are sent to approximately 14 900 individuals within the target group.

The average unique open rate for member emails from the Connoisseur Club is 70%, while the total open rate reaches an impressive 102%, indicating that many recipients open our emails more than once.

Following this, the total click-through rate ranges between 10–20%, distributed across the various offers included in the email — meaning a significant portion of the audience actively engages with one or more of the featured promotions.
